## **VRS 54 Vandal Resistant Dot Matrix Indicator**

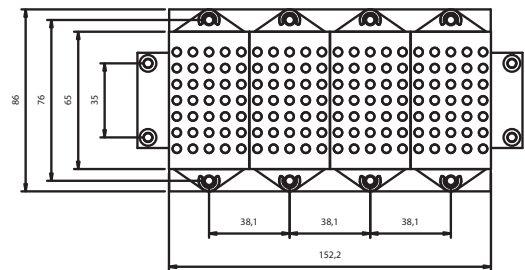

The VRS 54 Vandal Resistant Dot Matrix Indicator has been specially designed to meet the requirements of any installation that is subject to vandalism. It is a truly innovative display; manufactured using a unique patented process and provides real vandal resistance without compromising the view from the display.

The VRS 54 is a four character 50mm display that has a stainless steel face, with flame retardant polycarbonate dots. The unit is designed in such a way that it throws light forward, providing a clear view of the legends displayed from all angles.

### **key features**
